Assassination Probe

COEBURN, Va. (AP)—The Virginia Young Democrats are collecting signatures to petition Congress to reopen the investigation of the assassination of President John F. Kennedy.

"There remains a question of CIA and FBI involvement in the assassination that the Warren Commission refused to investigate plus much new evidence that was not available in 1964," a spokesman for the group said.

Rep. Thomas N. Downing (D.-Va.) has introduced a resolution to create a select House committee to investigate the Nov. 22, 1963, Kennedy assassination.

Downing's bill, cosponsored by 16 other congress-
